

Democratic Dialogue at School An Online Game-Based Training Tool on Democratic Dialogue for Teachers

We are excited to announce the official launch of the **DD@S (Democratic Dialogue at School) eLearning Platform (<https://elearning.ddasproject.eu/>)**, a gamified educational resource dedicated to equipping secondary school teachers with the tools and strategies needed to foster democratic dialogue in classrooms across Europe.

The DD@S platform is designed to support teachers, teams, and school leaders navigate challenging discussions by promoting mutual understanding, cooperation, and empathy among students.

The DD@S Training Course is a comprehensive programme comprising **five modules**: one introductory module and four specialized modules. The course offers approximately **12 hours of theory and 15 hours of activities**. Each module provides a blend of theoretical knowledge and practical activities, ensuring that teachers not only learn the concepts but also know how to apply them effectively in their classrooms. Upon completing the full course, teachers receive a **certificate of attendance**.

MODULES INCLUDE:

Module 0:

Introduction to Democratic Dialogue and Communicating Controversial Issues at School

Module 1:

Discussing Socio-Political Issues with Your Students

Module 2:

Dealing with Religious and Ethical Topics at School

Module 3:

Addressing Issues of Race, Gender, Sexuality, and Abilities in the Classroom

Module 4:

Gender-Related Discussions in Class

TEACHERS, ARE YOU READY? IT'S YOUR TURN!

In today's diverse and dynamic educational landscape, students are exposed to various controversial topics, both inside and outside the classroom. As a teacher, you play a crucial role in guiding these discussions, helping students to think critically, understand different viewpoints, and engage in meaningful conversations. With the DD@S eLearning platform, you can transform your classroom into a space where respectful and constructive dialogue thrives. By enrolling in the DD@S Training Course, you will:

- Learn how to approach difficult topics with ease, ensuring that every student feels safe and respected.
- Develop the tools necessary to manage classroom discussions on complex issues, from socio-political debates to sensitive ethical topics.
- Empower your students to engage in democratic dialogue, preparing them to become thoughtful, informed, and empathetic citizens.

Join a growing community of educators across Europe who are committed to creating inclusive and engaging learning environments.

The DD@S eLearning platform is here to support you every step of the way!

WHAT'S NEXT

- Stay tuned for the 2nd LTTA and Multiplier Event of the project coming up in Belgium this May!
